

Term 1 – Learning in Barbados - Barbados Topic.

Communication:

Our class book this term is going to be Malaika's Costume by Nadia L. Hohn.

Our Talk for Writing focus is stories from other cultures.

Number:

We are baselining the children and looking at Shape and Number.

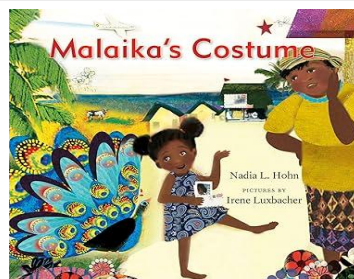

Understanding the World:

In Geography we will be learning about Barbados, its geographical features and comparing it to the UK. In Science, we are learning about properties and uses of materials. In Art we are investigating sketching, painting and collage techniques around a Barbados theme. Music lessons will see us learning about rhythmic notation and the elements.

Healthy Lifestyles:

In Beacon Citizenship we will be discussing and learning about self-awareness. In Food Technology we will have an introduction to cooking & healthy eating habits.

In PE we are developing netball skills!

Digital Technology:

We are going to be exploring coding using the Makey Makey.
