

Term 1 Cycle 2 – Margate Class- Time Traveller.

Communication:

In our Communication lessons, we are exploring the story of *Oliver Twist*. We will read the story together, developing our understanding of the characters and events. The children will also learn about the key features of narrative writing, including setting, characters, description, dialogue and sequencing, before using these skills to create their own pieces of writing.

Number:

In our Maths lessons, we are focusing on addition and subtraction. The children will be working on their own individual learning journeys, developing their skills at a pace that is appropriate for them. We will build confidence and understanding through practical activities, visual resources and written methods, with opportunities for children to apply their skills to different problems.

Understanding the World:

In Art: We will be looking at Andy Warhol and Salvador Dali images.

IN DT: As a class we are going to create a time machine and then individually create a timeline of their lives to now.

In Music: We will be looking at how music makes us feel and expressing this using our emotions.

In Geography: The class will look at maps of Folkestone and Margate and discuss how they have changed over time.

In History: We will explore how life has changed over time, we will be asking different age groups about what they remember of where they grew up.

In Science: This term we will look at living things and their habitats. Looking at Herbivores, Carnivores and Omnivores.

In Ethics: We will be looking at The rules for life and the Ten Commandments.

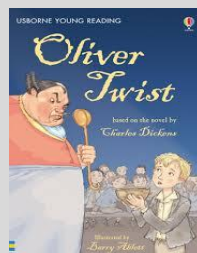

Healthy Lifestyles:

Beacon Citizenship: We will be looking at ourselves and importance of self-awareness. Looking at different emotions and what this looks like individually.

PE: Invasion Games, netball or Handball.

Food Technology: We will concentrate on the Kitchen rules and expectations for Margate class. We then move on to Healthy Eating and what the importance is of growing our own food or eating local produced food.

Our focus book this term is Oliver Twist.

Digital Technology:

Looking at Me and the World in an Online World.
