

Term 1 – Learning in Trinidad Class

Communication:

This term we are focusing on our communication skills using communication books, boards, story and topic communication boards. We are using Language Through Colour in our Communication sessions to support our story of the term.

Number:

We will be focussing on identifying numbers, recognising Numicon and working within ten. We will also be working on our own individual journeys.

We will be completing our learning boxes daily.

Understanding the World:

This term we are exploring our class named country Trinidad. We will be learning through our topic-based learning.

In Art – We will be exploring printing and collage.

In Music – we are exploring sounds with percussion instruments from another country.

In Geography – We are learning about the country Trinidad.

In Science – We are going to look at animal habitats.

Healthy Lifestyles:

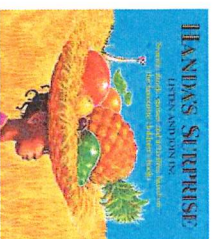

In Food Technology theory – We will be learning about healthy eating.

In Food Technology cooking- we will be creating food from another country.

In Beacon Citizenship – We are learning about how to be a good friend.

PE- We are learning about ball games.

Our focus book for this term is:

Digital Technology:

In Digital Technology this term we will be exploring and learning how to use Busy Things programme.
